Project > (Project Name) > Edit > Setup

If you want to share or publish your sales chart on other platforms (e.g: show gallery, website, social media etc) simply follow the instructions below to enable it under your project's setup page.

1. Click **Projects** at the Showroom homepage
2. Click on the specific project you would like to make public
3. Click **Edit** at the top right hand corner
4. Click **Setup** on the left menu bar
5. Tick **Public Project** under **Management**
6. Click **Save** to register your changes

Note: Please contact our **Community Team** at help@mhub.my to help for implementation process
