How do I view a list of available units in a project?

3 years ago · Updated

Follow

There are 2 ways to check the unit availability

- Using **Unit List** view
- Using interactive **Sales Chart** view

Unit List View

Projects > (Project Name) > Units

1. Click **Projects** at the Showroom homepage
2. Click on the specific project you would like to view
3. Click **Units** at the top menu bar next to Overview
4. Click on the Available box category to view the unit listings that are available

Sales Chart View

To use this method, you will first need to enable the Sales Chart function at the Sales Chart section at Projects > Overview > Edit > Setup. Instructions can be viewed at **Step 1: Create a project (part 1)**. If you have selected "Disabled" you will not be able to view the sales chart.

Help

Projects > (Project Name) > Sales Chart

1. Click **Projects** at the Showroom homepage
2. Click on the specific project you would like to make a booking for
3. Click **Sales Chart** at the top menu bar next to Units
4. Click on the **Available** checkbox to use the filter and view available units
